CLERK: 25 ayes, 10 nays, Mr. President, on the motion to advance the bill.

SENATOR CLARK: The bill is advanced. Senator Nichol. We have some things to read in first.

CLERK: Mr. President, Senator Hefner would like to print amendments to 249, Senator Cullan to 142, Senator Hefner to 269. Your committee on Enrollment and Review reports 19, 19A, 125, 134, 365, 414 all correctly engrossed. Public Works reports 545 advanced to General File. Mr. President, there will be a meeting in Exec. Board tomorrow morning at ten o'clock underneath the North balcony.

SENATOR CLARK: Senator Nichol.

SPEAKER NICHOL: Mr. President, members of the Legislature. Just a word or two. First of all let me express my appreciation for your first day in full session. You've really been great and I really appreciate it. I really appreciate the work you've done in our session of hearings. Secondly, there won't be enough to go on Select File and Final Reading tomorrow, so we'll stay pretty much to what we're doing today and that is priority bills. There will be a meeting of chairmen tomorrow morning at 8:30. With that I'd move that we adjourn until tomorrow morning at nine o'clock.

SENATOR CLARK: You heard the motion. All those in favor say aye. Opposed. We are adjourned until tomorrow.
